“ *Irma, I was so sorry to read about the loss of Grace in the Banner Graphic. She was a special patient for me and I always marveled at her wit, charm and memories. She continued to amaze me with how healthy she was with a few exceptions such as her vision. I know her passing will leave a void in your life. You were a loyal caregiver for many years. I hope you will find comfort and strength to get through the coming difficult days. Blessings, Diane Barber, PA-C*
