“ Pat, Pam, Jay, and families--We were saddened to hear of Lavon's passing. Even though he was well known and involved in so many good causes in his civic life, Lavon was always a fine example of a true gentleman. He will be greatly missed by our whole community. We are praying that God's grace as well as your many wonderful memories of him will bring you comfort in the coming difficult days.

“ *Pat, I wish you God's peace and comfort. Was sorry to hear of Lavon's death. Have known him all my life (and you a big part of it). We attended SHS together. Both of you have been major supporters to Eastern Greene County and the Solsberry area. You were my close neighbors for years. Greene County is going to miss him greatly.*

“ I have known Lavon all my life..he will be greatly missed by all that knew him..I so enjoyed talking with him & he enjoyed telling me stories about my mom & daddy..he had went to school with them & told me stories about how he would load up groceries & take them to different people in the area including mom & daddy. He said he carried a little cage in the back of the old truck to house the chickens people traded for groceries as well as eggs..if I needed to know about someone in the Solsberry area, he usually had the answer..he was so full of knowledge. He loved his family so much & loved to boast about his basketball star JT ..I could go on & on.. I send out prayers of comfort & strength for Pat, Pam & Jay along with all the grandkids & great grandkids...he loved all of you very much 💜🙏
