“ Buck was not only an awesome bus driver as mentioned in a previous post, but he was also an awesome neighbor. He and my dad have been neighbors for over 50 years and I have great memories of Buck, Betty, Dia & Jeff. Daddy has already said that he will not only miss their "gab sessions in Buck's garage" but will also miss the best neighbor he could ever have. We pray that God surrounds the Emery family with His amazing love and touches you all with His awesome power to comfort you.

“ Buck was an awesome bus driver! He always gave us a bag of peanuts, fruit, etc. at Christmas. And he always took us to his house the last day of school for soft drinks and candy.
Prayers to all the family.
