“ So sorry to hear of Harold's passing I worked with him and Doug for many years going back to the early 90's in Indianapolis. He was very professional and just about any flatbed driver in the Midwest knew him. What a lot of people don't know about Harold is he was a great storyteller we would sit in the office and laugh and joke as he told stories of the many drivers and people he had known or were still around. Rest easy Harold and we will meet again in a better place.

“ I somehow missed this information earlier. But wish to send my deep sympathy and prayers to his dear wife and family. He was a character who will long be remembered. I thank God for his Christian faith and witness.
