“ *When I think of my Great Aunt Harriett I think first of the greenhouse. How fun it was to observe her and Uncle Dencil taking care of the plants and their enjoyment of selling them to many of their customers. I loved her antique roll top desk. With Emily by my side, we'd pretend to play "postmaster". Cards and letters in, cards and letters out! Now, grown up, I too love to plant flowers and take care of them. I enjoy a good antique piece of furniture. I fondly remember her voice as she'd call out your name. She will be deeply missed. She is reuniting in Heaven with not only my Mom (Alexis K.) but with many of her loved ones. God Bless us all as we grieve her loss. But know she is at home with the Lord and will have no more pain.*
