“ Freida - thanks for so many great memories and good times. It was you and Tucker that gave me my very first puppy (I think Scamp was the daddy). I was supposed to get a boy but I begged for a girl and that is what I ended up with! I remember visiting and staying with you all during the summer break. Even though I was younger, Russell, Debbie, and Barb always played with me.

Now you are celebrating with the angels and catching up with Tucker and the rest of the family. I know they are happy to see you but you will certainly be missed down here.
