# Tribute Wall

“ *Hilda and Virgil were such a big part of my life. I always thought of them like grandparents as I was growing up! I will always remember the good times with the entire family. Walking across the ditch "board" bridge as a very small girl to go see them, learning to play euchre at their house, attending church with them, among many more memories. I wish I could be there with you Patty Kaye, Dan, Connie Kaye, and family!!!! They will be in my heart always!!!! I can't wait to see them again one day...to see Virgil riding my banana seat bicycle (as he did once-pictures to prove it) and playing cards or just watching TV with Hilda! I love and miss you all!
