“ Hi, Debbie. I work for your mom at RCA and with you at IU. I will never forget your mom. She was a hard worker, but she made it fun, too. We used to eat that canned chili out of the vending machine for lunch. She'd let me go to lunch a few minutes early so I could get us set up for lunch and we could play cards. We had a lot of fun. I'll be thinking about you in the days to come. Strength and prayers to you and your family.
