“ *Worked several years with this great lady at Fontanbleu. She offered some of the best care I've ever seen. The respect she had for her residents was unsurpassed, in death as well as life. I remember once a new aide had brought in cold water in which to bathe a deceased resident. Irma reprimanded her sharply and swiftly stating they deserved the same respect in death as they did in life.*

One of the best....RIP with Jesus, sweet lady.

“ So glad we got to see Aunt Irma this summer just by chance. It had been many years but she remembered we lived here in Bradenton and had Beverly call us. So happy for that call. You just never know when your day is done. Rest in peace. Sending all the family positive thoughts of the many memories you have of your Mother.
