“ I absolutely loved taking care of "Poppsy". Jacky was amazing. I enjoyed seeing his charming smile. His playful eyes, and I could always redirect him with song and dance. Your family has my deepest sympathy. Jacky will be one of my forever people I had the blessing to care for.

“ An extra special thank you should have been added for Korey Taylor for keeping an eye on my grandpa while at work, making sure he was getting the proper food portions, extra protein, & his sweets that he's always had to have throughout the day. Thank you for keeping me updated when I couldn't be there.
