“ Although I didn't know Jaden personally she has touched my life in enormous ways, as she did with every person that had the pleasure of meeting her. When her journey started she instilled in me a deep desire to pray continually. I consider myself to be a prayer warrior, but with her journey in my heart it deepen my relationship with God, drawing nearer to him, my spending more time with him on her behalf. She was a true disciple of Christ. We lost our granddaughter after her struggle with TAPVR. We said goodbye to her at Riley on Jan. 12, 2004. In honoring her I shared this poem with our family, I'd like to share it with your family. "Each life is a miracle that changes the world and leaves it a better place that it was before". (author unkown).

*Jaden certainly left his world a better place with the love she shared with everyone.*

*May you find peace in the arms of Jesus.*
