“ I went to school with Jim, beginning at Calverville. I was in 3rd grade and he was in 4th when I first met him. After I married, my husband and I were gone from Indiana for approximately 20 yrs. When we returned, Jim was our boys' bus driver, and after our oldest son had children, he was their bus driver. He told my husband and me that he loved driving the students to school and back home. He was a one of a kind bus driver and had the respect of the children. Thank you, Jim, for protecting my children and grandchildren. You will be missed.

“ *I rode on Jim's bus throughout high school. Ten years later my daughters were riding his bus until their graduations from bloomfield. I never worried about them on his bus cuz he ran a tight ship and truly watched over all the children on the bus. R.I.P. Jim Abrams! Bus #3
