“ I was so sorry to hear of the loss of your son. Living in Bloomington I try and read the local Linton paper when I can. I read the article yesterday about your re-naming your stand in honor of your son. I just wanted to tell you how sorry I was to hear of your loss.

“ We were shocked to hear of JD's passing. Several days a week for the past few years he would be waiting for me to get to work in the morning, after he'd finished his shift at Gemtron, to pick up his fruit orders. I got to know a little about him over the short time I knew him, and I considered him my friend. He will be missed by all of his friends at Apple Hill Orchard.
