“ Having been a classmate of Deloris at Switz City in 1952, I was very pleased to get to know James Paul through our group meetings. He was a very good man and it was clear the he and Deloris had made a good life together. I deeply regret that we have lost him, and my thoughts and prayers are with Deloris and the family. I look forward to continued contact with Deloris, and wish her the best in the days ahead.
