“ I was shocked and saddened to learn of Jane's death. We worked together for many years at H & H. Jane was the one person with whom I had a friendly Purdue vs IU rivalry. I am so glad I got to see her last August but regret that I didn't know she was ill. I will carry many fond memories of Jane with me.

“ To Jane's family: We were shocked to hear this news. I remember Jane from school of course. She was such a sweet person. So sad, especially after Emerson passed just last fall. May the Lord strengthen you all and comfort you as you deal with this tragedy. May He bless you all in your time of sorrow.

“ We are stunned and deeply saddened at the news.... we spoke of Jane just this weekend at a family wedding, recounting her presence at our own wedding in 1978 (we had only a few friend/family members.... all the rest blood family). Her dry wit and droll sense of humor are missed already. We'll toast to you tonight, my girl!!!! Joanne, Steven, and Julia Titolo
