“ *Such a fitting picture of Janice with a huge smile on her face. I worked with her as a young 17 year old, and loved every minute of it. She had such a great personality, it made you look forward to work. I will miss her !!*

“ *Janice was the best friend anyone could hope to have. We have been friends for more than 50 yrs. We went on vacations together, shared hard times and fun times but she was always there when I needed her. She loved her husband, Floyd and son, Kevin and loved her friends. She had a heart of gold and loved the Lord. I will miss her terribly Gene and Wanda Goad.*

*Always the best of times and Janice (& Floyd's) place. They ALWAYS made you feel at home. We will miss the conversations around the table, hanging out at the pond and in the basement and the great meals. Janice had a great heart, was a good listener, great cook and always made you comfortable in her home. We will miss her much...*
