“ I am heartbroken to hear of Jeff's passing. He was a great neighbor while growing up. He had such a sense of humor! He asked Shorty if they could concrete their yard and paint it green so he wouldn't have to mow anymore. One time we were playing with toy trucks, and he told me a semi had 19 gears, and I had to make the sound for each gear when pushing this little truck. Thanks for these great memories Jeff

We were so sad to find out of Jeff's passing. He was a great person who will be missed. He was so supportive of Wes and I when he heard about Wes's illness several years ago. We got to know him as customers at WRV Co-op then Crop Insurance. Wesley and Nancy Roberts - Spencer IN
