“ I worked with Jeff at the Soil Conservation Service Office in Cannelton IN. I was his supervisor and he was a great employee. He was very enjoyable to work with and very friend. He went pheasant hunting with me in Nebraska a couple of times and he went fishing in Canada with my dad and I once. We also played golf together a few times. I just wish I had stayed in better contact with him after he left SCS. We enjoyed messaging about bird watching adventures the last few years. We offer our prayers for the family. I'll miss you my friend.

“ The word was that we were cousins, but I don't think we ever figured out the details. Unfortunately my main memory of Jeff was from our time together on the 1961 Cloverleaf Dairy Little League team. And my crystal clear memory was of the championship game. Jeff pitched 6 strong innings and we finished regulation tied 1-1. In the 7th inning Jeff said let's finish this thing right now and blasted a home run that won it for us 2-1. Thanks to Jeff I've still got that trophy and a terrific memory. I'm sorry that we didn't have an opportunity to know each other better, as he went to Bishop Noll HS and I went to Andean. RIP Jeff, you will always be in my prayers.
