“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." See also www.jw.org.

“ *fantastic friend
every now and then we never know exactly when a special someone comes along making an impression, so very strong friends, as we all know seem to come and often go as lives diverse and grow apart they still stay with us deep in our heart the special thoughts and loving care the little things that we share stay with us inside, a tiny seed to be remembered as we need as life's many ups and downs turns our smiles into frowns it's the thoughtful things said and done to make a friendship a solid one so though we may not often talk your presence is felt, down every path i walk the love and caring and generosity show what a fantastic friend you are to me

“ *My sincere sympathies to the family. Loss is always difficult no matter the circumstances. Rememberance of even just one great memory can sometimes help. All the good memories together, can create a life story.*
