“ Jennifer was a member of the Sylvania Wesleyan church praise team and frequently sang solos. She had a beautiful voice & and an even more beautiful personality & spirit. She had an infectious laugh & loved to have fun, but was just as serious when needed. She was a very compassionate & loving person. I could always count on her for support, sympathy, & prayers. She is no longer sick or in pain & she's probably singing like never before! Thank the Lord, we know where she is!

“ *My heart is hurting for all of Jennifer's family and friends. I got the pleasure of knowing her sweet soul better during our work trips together. She loved her faith and her family very much. I take great solace though in knowing though that her earthly pain is gone and she is worshipping in great faith with our Lord Jesus Christ. We will see her beautiful smile again!*

“ I purposely arrived to work while working with Building Services a half hour or so before my shift began so I could catch up a few minutes with Jennifer. How grateful especially now am I for those times. She was always there to encourage you and be your cheerleader in an often harsh world. If you were loved by her... you were truly loved. She loved her Lord and family and friends without limits. She will be greatly missed.
