“ I loved Jerry! I found him quite humorous while others seemed completely afraid of him. He taught one of my classes in high school, but I knew him outside of school as well. When I was 16, I traveled from Indiana to Arizona with Jerry, Tim and Marla in an old car of Tim's. It was a very interesting road trip and a fond memory I will never forget. He will be missed, but we celebrate his heavenly homecoming.

“ I wonder if this man ever knew how much he was loved. He was one of my favorite teachers. He was this teddy bear disguised as a mean gruff bear. Smart and funny... he was not a hugger but I hugged him when I graduated.
