“ Grandma I have really enjoyed the last few years that we have had together. I love all the hearts that you have touched. The gospel we have sang and laughs that we have had. You have a great smile and a hug heart.

I remember when we went to Missouri for a family reunion. You, grandpa Frank and I got to see family that I never met before and learn more about you.

I know I will see you again until that time you will always be in my heart. ❤️ 🌸

“ I am so sorry to know Jessie past. I had moved away from Bloomington years ago and we did keep in touch for a long time. Jessie and Frank were like family to me. Jessie knew the Lord and her faith carried her through many hard times in her life. I know she will be a beautiful angel above.
Rest in peace Jessie. Love, Kathy Tracy

Melissa, Your grandma was so special to me. She helped me when my son 46 passed unexpectedly of a heart attack. We talked and she prayed and wrote letters. Frank and Jessie and Frank loved each other so much. As I said, they were not only friends but family. Tell your mother hi as I met her one time. I met Frank and Jessie when I was a Travel Agent in Bloomington. If you can, please send me your email. Love and hugs to all and so wish I could come to the funeral but living up here it would be hard but my thoughts and prayers for all. Your grandma love her kids and grandchildren so much.

“ *I remember all the days spent at the Windcrest house in Doans. Many days were spent fishing at the pond, learning how to canoe, and having cookouts.*

Mamaw always made sure everyone was well fed and cared for! I can remember many of the family dinners spent around the dining table. She always had more than enough food prepared and was certain to prepare a dessert. Whenever I was studying with Papaw for my amateur radio license, she always made me lemon bars because she knew they were my favorite.

Mamaw always remember birthdays. She was fond of playing the piano, especially the hymns from church. We played lots of Scrabble, Clue, and cards after dinner.

I can remember when Nathan and I were running through the pine trees at their house in Doans and ran into a hornet nest. Nathan got the worst of it, but Mamaw took care of him and made sure he was taken care of. She always cared for those around her and was a shining ray of light in this world.
