“ Will always remember our friend Joan as a loving & sweet lady who enjoyed life & her family. Have special memories of times eating out, shopping & enjoying chatting about old times & our younger days. So glad to be able to visit with her recently while she was being cared for at Odon. She always spoke of the love of her family & how proud she was of them all. They gave her great comfort. I cherish our times together but know she is no longer in pain & I will miss her also. Life is short & she would want you all to enjoy each other & be happy until you meet again someday.

Take care. Love, hugs & prayers,
