“ John was one of my heros. He was the most daring when he was the most scared. He took on challenges that most thought impossible for him. But he was one to always prove us wrong. I loved his cantankerousness. He had my heart from the first day I met him 30 years ago. I hope the family knows how much he was loved and hire much he will be missed.

“ I had the pleasure of knowing John many years via Stone Belt and LifeDesigns (Options for Better Living). We could always count on him to give us the daily weather forecast and say things that would bring a smile to our faces. RIP sweet John and thanks for the wonderful memories.
