“ *Johnny will be missed by so many! He left fond memories over the years with all of his friends. He was a true Long Haired Country Boy, and he would sing along if he heard the song. He said what he thought, and had a big heart. I introduced him & Bev..they both spoke their minds & loved the outdoors..he always would remind me of that when we saw each other with a smart remark...we both laughed..Johnny was easy to love....I sure will miss you my friend..but I have a lifetime of memories to get me through..until we meet again!!! To Bev & Family, you are in my thoughts & prayers.  
Love, Lady Di*

*John was just 2 months older than me. Our parents knew each other back in the Day and had pictures of us both in our diapers....haha! We would see each other now and again in our teens and twenties. He was such a good guy to hang with. I lost contact a while back and tried to find him to no avail. He sure did leave too soon! Alan Wood*
