“ John was never without a kind word or a smile on his face. He was one of the most wittiest people I have ever had the privilege of meeting, he always knew just what to say. The man was generous. I know it's a cliché to say he would give you the shirt off his back but I genuinely believe he would have. I think his best quality was how much he loved his family and his friends not to mention how much he was loved by them. It made his heart sing when his family members from Kentucky would call him just to say hi. I will cherish the times I've been on the phone with my mother and John would be telling jokes in the background so we would laugh. I wish I could remember those jokes because I know he would want us to laugh right now and not cry. The world seems slightly smaller and quieter now that he's not physically here but he'll always be in our hearts. May the grace of God be with us all as we mourn the loss of our beloved John.

Thank you. Dad was truly an amazing man. He did love his kids, grandkids and family more than life itself. He truly loved you and talked a lot to me about you. He never met a stranger and absolutely loved to make people laugh. Please if you can give me a call at 606-417-0685. This is Jonda.

Thank you. He was my father and a very loving, caring, and sweet man who was the hardest fighter that I've ever known. He fought all the way to the end.
