“ Kathryn, Pam, Debbie, and Family-I was so sorry to hear about Jon Le. Jon Le had been one of my dad's best friends since childhood. He visited my dad often and they went fishing together on many occasions. It was always funny to hear their stories about them getting in trouble together when they were younger. You could always count on Jon Le for a good-natured ribbing. He will be greatly missed by all who knew him.

“ To the family of Jon,
I'm so sorry to hear of Jon's passing. He was a good friend, that I could kid alot with and he did me also. I would often see him with Charles, when they would go fishing, and last week, I saw him at Springville store, where he ate breakfast and I often saw him there. He always had a smile on him and ready to give someone a hard time. I will miss him. Please except my deepest sympathy. My thoughts are with you at this difficult time.
