“ *Sincere Sympathy & Prayers to the Moreno Family-Alfredo was such a sweet person every time we went to Cinco. A few years ago when I was going through my cancer treatments he would ask me how I was doing and said he was praying for me. It really boosts a persons hope and confidence when someone tells you that. What a caring person to everyone he met. Lyons won't be the same without his smiling face. Sincerely, Cami Bredeweg & Family*
