“ Joey, i never thought i would have to do this but i learned to never take people for granted because you never know when the last time your going to talk to them is. Life wasn't easy for you or for any of us but we knew we always had each other no matter what happened. I always looked up to you boys, We had so many good memories when we were little; some of the best times I will ever have. You meant alot to me joe even if i didn't always show it. When i got the call that you didn't make it i cried and I'm still crying, you were a piece of me that i will never get back but i know you'll always be looking over me. The family will never be the same but just know that you will never be forgotten. We all love you so much. Joey you always made me laugh no matter how upset i was. If i could re live one day it would be a day from the Woodstock house and i would tell you how much i love you and how i looked up to you. You really were such a great person. Please be my guardian angel and help me through life. And when God calls for me, meet me at the gates with arms wide open. I love you soooo much. GREATLY MISSED AND LOVED BUT NEVER FORGOTTEN

“ Well Joe, Many years have passed since I had seen or spoken with
you. There were many times when I thought about you. Wondering
what your up to? It seems that you'd become quite the man, and a
great Dad. I am proud of you. Maybe all of my talking to you when
you were just a little man helped,(just a little).I like to think
so,anyways. Not a year,month,or day went by that you weren't loved
or missed. Now,I know your looking down on us. Rest in peace my
little nephew. Auntie Loves You Always.

“ Joe was a wonderful person and I'm so proud to have known him, even for such a short time. He was a great provider and a loving father to my sister and her children who knew him as Dad. He was the first one to always lend a helping hand to anyone who asked. He treated me like a sister and he will be remember by my family as a great friend and favorite Uncle. We will all miss you. May you find peace as you rest with your loved ones that have passed and find joy when you are reunited with those you leave behind. God bless. Stephanie, Brian, Brittany and Coner Robinson

“ Joe was a great friend to me the few months that I knew him. From the first day I met him, he was like an older brother. He helped me out every chance he could. He always thought of everyone else first. He had me work with him at the farm and of all the jobs I had, working with him was the most enjoyable. He will be missed as a friend and an older brother.
