“ *I'm so very sorry for your loss! I lived near Joseph and his family growing up and rode the school bus with the children. Joseph and all his siblings were so kind and fun. I'm sure the world is a little less bright without Joseph in it.*

“ Heartbroken I found out today. Joey gave me my greatest love a beautiful baby boy who has grown into a fine young man ...Joey came to me and my husbands rescue in hard times. Joey was one of the smartest men I knew. He and his father Don helped many people in their AA recovery
Joey had many stories he taught me how to survive in hard times in St Paul Minnesota he was with me when we had our baby boy Dylan in 1990 he made me laugh

“ My favorite memory of Joey is when he was about 12 years old. Joey, plus a few other boys spent their haircut money playing pinball. Karen Wood, Angel Hayes and I cut their hair for them to keep them out of trouble. I really didn't mean to cut Joeys' ear with the scissors. My brother, Matt Hayes really valued his friendship with Joey and was so grateful that Joey and Julie attended court for him. Joey will be missed.

“ Joe aka "Happenin" has been a very best and Truest of my friends my whole life. I never got a refusal to my cries for help from Joey anytime or even anywhere I ever was- Ever. He was so much love through my baby sister Connie and my lives even to her last breath and now to his. But I will say that I witnessed him bathing his Father. He took his Dad for short rides in their pickup truck sometimes just to get him out of the house and evidently his Dad really enjoyed the time with his son's loving gestures. He was a great human being and I am going to miss him so very much until I get to Heaven and then just to see him again with his family and no doubt my baby sister who had been a huge priority for him as she was dying...He was such a wonderful Blessing To her! And God Bless him and his love for his life and love for his family and countless friends! Oh God, I am so Honored To Have Been Able To Have Such A WONDERFUL FRIENDSHIP With you Happenin Joe Sachtjen! You left holes in hearts of all who have known you! I hope and Pray that you will have a viewing so that we are going to be able to see you again and say to you that we love and appreciate you for helping us without having to feel too bad for your help even though we were quite close and we knew that you were going through your own life struggles and health issues. God Bless YOU ALWAYS Dear and Precious Friend. Lord Jesus, Help us all To Get Through This Tremendous Loss Of our Faithful Friend who We Adore. In Jesus's Name, We Are Praying For your Family and Friends Together! We Will Always Love and miss you terribly Joe. Xoxo
