“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Joe was my manager for a few years. And over twenty years later he was one of my favorite bosses. He always seemed calm even, or especially when everyone else seemed stressed. He had a droll laconic way of making his point where other people would be excitable. Those are good memories. I remember Joe. My sympathies and condolences go to the family that they may have peace.
