“ Joe was such a blessing to the young people of Owensburg when we were growing up in the 50's. In Boy Scouts he helped Phil all the way into being an Eagle Scout. He was so devoted to the Lord and loved music so much. I had the great privilege of being the pianist at the Baptist for him for several years. One of the things I always looked forward to each year was knowing that on the 1st day of December we would receive our very first Christmas card from him. I know there is rejoicing in Heaven and we pray for the Spiritual power of God to Bless each family member with His loving arms of strength to guide you through this time of separation.
