“ My favorite Aunt Joyce was a wonderful person and a strong individual, she will be greatly missed. I will treasure all my childhood memories and the visits to Indiana when we would stop in and visit

She was a kinda woman that would listen to u and make u feel at home any time of the day. Her actions spoke for themselves, when I was a little I spent a lot of time at her house and my two cousins Lisa Mae and Dawn Ellen. (Kinsy u wasn't born yet, probably good thing for u buddy cause us 3 girls would have walked all over u, probably would never have wanted to come out of hiding. Lol.) We all would hang out after school, my aunt Joyce would fix us girls supper it would be ready as soon as we got off the school bus and boy was it yummy to our tummies she was an excellent cook she didn't use all of the fancy gadgets to make a good meal either just her talent and time. Also we even got to sit in the living room with our plates and got to watch television. (sorry uncle Don) don't know if u ever knew that. But she was such a good house keeper u never would have ever known she allowed us too.

She loved to garden she would spend hours preparing her garden and weeding she never complains she loved being outdoors and last not least her beautiful flowers. How she did all of that I never know and watched us three girls too cause sometimes we were a handful. But she managed all and helped with Gram and Pappa whatever they needed she did for them too.

I admired her patience and her strong soul.

When I do things in my every day life as an adult and mother I remember all too well what she would have done or said I can actually recite a lot of her sayings and expressions she would do.

Rest in peace Aunt Joyce let your time in heaven be a restful and joyous time.

Please send me some hummingbirds for next year too, going to put my feeder out with the special recipe that u gave me. I will think of u often and when I see the hummingbirds flocking in here at my house.

My deepest sympathy to my uncle Don and my three cousins

“ *I have lots of fond memories but I will share a few. She was always a beautiful and determined soul or should I say contrary. When we was kids we had to share a bed and let me tell u she loved going to the kitchen and bringing the crackers back to bed to eat and in the morning there was cracker crumbs,I would get so aggravate at her,and she would always just laugh.*

Another memory was when we was teenagers she would always be the driver and me the passenger that was how it always was even though I had my license. We would always go to the town of Bedford when the weekend approached. That was where we cruised around the square and boy did we have alot of fun laughs and one time we cruised a couple of streets and Joyce ran a stop sign,I said Joyce u just ran a stop sign and I said u could have killed us and she said well I didnt though and with her laugh she said but I didnt Lea. Another memory was later in my life when I had moved away she would always welcome us to stay at her home. she would always make us feel very welcome.

So now the day has come to let her go home, Now all I have is memories and lots of them. So I will treasure all of them. She will be greatly missed.

God bless the Lintz family in this time of sorrow.
