“ Roger and family, I was so sorry to read about Judy or "Judy Judy" as my Mom and I would call her. She always had a smile on her face and ALWAYS spoke if she would see me. I always enjoyed talking with her and teasing with her when Dad, Mom, Kyle and I would meet every Friday morning at the DQ. Try to let the happy memories comfort you. She will be forever with you in your heart and soul. Again, I am so sorry. Teena

“ Tammi & Roger, We are so very sorry for your loss. We are so thankful that we stopped by to see her on Wednesday. I wish we could ease your pain, but only time alleviates such a burden. We love you very much and you will be in our hearts and prayers. Until we meet again, take care and cherish your memories of your beautiful loved one that is with her other family now. I would have loved to see her mothers face when she met her in Heaven.
