“ *This might be a repeat of something I already wrote about Judy. She was my cousin on the Herold side, A warm smile and ray of sunshine whenever we met. I couldn't get down to decorate my Herold family graves often because of the distance but Judy and her Mom always watched out for stupid people who wanted to steal our things left on the graves, Even to the point of digging up a Rose bush. Now who will guard our family plots? I guess I rely on honest people with a heart. God bless and watch over the newest angel in Heaven until I can join them some day. Love you with all my heart Judy. “ *Our prayers and love to Dave and all of the Norman family. We are thankful that the answer to death for a Believer is the presence of our Lord and Savior Jesus Christ. II Corinthians 5:8. "We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord." We are so glad to be a part of this wonderful Christian family...and will be with Jesus forever, with our loved ones who are awaiting our arrival.*
