“ I worked with Julie for most of the 17 years I was employed at Stone Belt, and since I left my position there, I still made a point of finding Julie to say hello when I found myself at 10th St. I have so many memories of Julie it's hard to pick one. She was wonderful at impressions-she could do a spot-on version of nearly any one of her friends or staff. And she had a fabulous memory--we used to play the Name Game as she called it. I would give her hints about someone, and she would guess who it was. She could remember staff who had been gone for years! She was absolutely one of the most wonderful people I have ever met, and I feel very privileged to have known her. You are in my thoughts and prayers as you face life without her.
