Tribute Wall

“ I love you, Scott, Amie and Lennon. I really am so sorry for the loss of your wife, your mother and your Grandmother. I know that your lives will be forever changed by this loss. Losing someone that we love is devastating to our mind, and heart. I really do not think that we ever get over this loss. We just learn how to go on without them because this is what they would want us to do.

“ Julie was a dear friend, no more of a sister to me. I will miss her dearly. She was one whom was fast with a witty comeback, she should have done stand up. I do not think she ever met anyone who didn't like her. She mad me laugh so hard that sometimes I would beg her to stop before I peed my pants 🍑 but of course she wouldn't. I think she thought it was funny to make me pee my pants. I will miss her. God has taken his Angel home. I am sorry she left me, but am glad she is no longer in pain.
