

## Katherine Louise (Page) Huntington

November 22, 1948 - March 11, 2026

Katherine Louise (Page) Huntington, 77, of Bloomfield passed away Wednesday March 11, 2026 at her residence.

The daughter of Murell Page and Margaret Helen "Sally" (Ervin) Page Perring, Kathy was born on November 22, 1948 in Vincennes, Indiana.

She was a proud Vincennes Lincoln Alice, graduating in 1966. She attended Vincennes University.

Kathy married Joe Huntington on September 13, 1970. She was a legal secretary in Terre Haute until their children were born and she chose to stay home with them. Joe and Kathy moved to Bloomfield in 1978. They owned and managed The Lighthouse with her sister and brother-in-law, Jenny and Garry Walker. Kathy worked as the Administrative Secretary for the Bloomfield High School Athletic Department. Over her 33 years at the school, she positively impacted countless students, coworkers, parents, and the community. Kathy could be counted on to offer support and a kind word, and was always willing to share a laugh.

Kathy was an enthusiastic fan of whatever her grandchildren were doing, including sports, 4-H, or any other activity they were involved in. She logged many miles to attend events across the country. She was a passionate

supporter of the Bloomfield Cardinals and was a fixture at games and matches. She also became an honorary Carmel Greyhound traveling north to cheer on her grandchildren there.

She took great joy in spending time with her family and being around people. Her house was always open and became a “second home” to many friends of her children and grandchildren while they were in school. Kathy never met a stranger and had a way of always making people feel loved and special. She had an extensive community of friends and was frequently the life of the party.

Kathy was an active member of the Bloomfield First Christian Church. She was also a member of Mother's Club and Psi Iota Xi.

Surviving relatives include her husband of fifty-five years, Joe Huntington, her two children, Jeff (Jennifer) Huntington of Carmel, Sally (J.B.) Neill of Bloomfield and her five grandchildren, Jack Huntington, Lily Huntington, Brasey Neill, Blake Neill, and Brooks Neill. She is also survived by two sisters, Jenny Walker and Linda (Don) Johnston, her special cousin Judy (Tom) Trowbridge, and several nieces and nephews.

Kathy was preceded in death by her parents, one sister, Rita Bennett and brother-in-law, Garry Walker.

A Celebration of Life will be held at the Harvest Community Church, 1482 East Harvest Church Road, Bloomfield on April 18, 2026 from 1 pm to 4 pm. It will begin with a short service led by her pastor of the Bloomfield First Christian Church, Scott Chastain, followed by a time of fellowship in sharing stories and memories of Kathy.

The family asks any memorial donations in Kathy's name be given to the Bloomfield Athletic Department, 501 W Spring St., Bloomfield IN 47424 or the

Bloomfield First Christian Church, PO Box 87, Bloomfield IN 47424.

“ *I met Kathy at Vincennes University and we became great friends and I introduced her to my friend Joe Huntington. We shared many years of great friendship. Kathy was always happy and funny and the life of the party. Many years had passed since I had the pleasure of being in her company but I cherish all the time we spent together. I will along with so many of her friends miss her presence on this earth but as devout Christians I no I will see her again some day. May God bless her on her journey. With love Gene Meisberger.*

“ I truly feel like a part of me left with Kathy. She was the sister I never had. She was my best friend. We had so much in common & we’re confidants. We always knew what the other was thinking. We could talk on the phone and laugh over the things that only we two thought was funny. No one else would have understood our humor. I loved her with all my heart. My only consolation is knowing we will be together again when the Lord calls me home. I love you girl💕

I'm finding it hard to write all that Kathy meant to me. I will tell you that we talked every evening on the phone unless one of us were busy or not at home. We shared so much, but what I can say for sure, we laughed so much and sometimes we would cry together but we both felt our days were not complete if we didn't have that 10:00 to 11:00 phone call . To say how much I already miss her and will for the rest of my life cannot be expressed in words. She was my best friend as well as sister and I like cousin Judy, lost a piece of my heart when she passed away. Love you Kathy.

*I became acquainted with Kathy just a few short years ago at our family-in-common events. We shared some nice conversations related to our growing grandchildren.*

*My fondest memory was sitting side-by-side with Kathy in the Tampa University bleachers, sharing her Sun Umbrella, watching Jack Huntington play lacrosse to a spectacular win and an undefeated season victory!*

*I am so very grateful to have known her and to have these fond memories.*

*Much Love to Kathy's family and friends.*
