“ Linda, Connie and families: Kate was by far one of the kindest and nicest people I ever knew. When I think of her, I always picture her laughing; she was such a "hoot", and always so much fun to be around. When we were young and running around, I always felt so welcome at your house. Kate treated me as if I was one of her own, and I think it was because she loved you girls so much that she liked and wanted to be with whoever you liked and wanted to be with. She always had so much fun with us, and with her sisters. This old world will sure miss her, but I know Lee Roy, David and Vernon are enjoying her sweet company now. I'm thinking of you all with love, Susie

“ Aunt Kathleen was such a dear, special lady. Her sweet smile and twinkling eyes were always there to welcome me. She was such fun to be with. In fact, I never really thought of Aunt Kathleen as being elderly; she had such a wonderful youthful "way" about her. I loved to listen as she and Mom would talk about times they had enjoyed together or the way life was years ago for their family.

Aunt Kathleen seemed to understand every situation of life and was such a comforting friend with which to talk. More than once she helped me through some trying times - times that paled in comparison to the heavy burdens and high hurdles she championed during her life.

Aunt Kathleen will always be one of my heroes - a quiet, understanding, yet powerful person whom I love so very much and deeply miss.

The color of yellow will always be a joyful reminder to me of Aunt Kathleen's presence in my life.

Until we meet again...

Love,
Eva Jean

“ Connie/Linda, I was very sorry to hear about your mother. I didn't read about it until Tuesday, the day of the funeral, or I would have stopped by the funeral home. I hope both of you and your families are doing well.
