“ I am so sorry for your loss. Kathy meant so much to me as a longtime coworker and employee. She told me that her job at United Commerce was the best job she ever had. There wasn't anyone I know that didn't like or love her. So professional and a little wicked sometimes too. Her sense of humor was infectious. I can't attend on Sunday, as I am in Oklahoma helping Dr. Kari Musgrave get ready for a move to Phoenix. My family sends their best wishes for all who loved her.

“ Being around Kathy always made me smile. Her kindness and sharp, beautiful sense of humor, brought joy to any occasion. Even as a goofy kid, she made me feel comfortable, and allowed me to be myself. My heart aches for her family, during this difficult time. I hope all of the amazing memories and abundant love that you shared will bring you comfort in the days ahead.

“ *What a Beautiful woman, Mrs. Floyd was. I am very sorry to read of your loss. With, her accomplishments, her love and joys, she was an amazing woman! I won't pretend to know what you're going through, but what has helped me deal with the loss of those I love, is turning to the Scriptures, something that has been a real source of comfort. One Scripture that gives me hope is, John 11:25, which says, " Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." I hope that this verse will also comfort you and, I hope you and your family can get through this difficult time. Please accept my condolences for the loss of your beloved wife, mother, grandma and friend. Sincerely, Meryl*
