“ I miss you, Grandpa. I know you're watching over me, and I wish you were still here. I could really use your advice right now. When we meet again, we'll have so much to talk about. We were right about so many things. Sometimes I wonder if you taught me too much—it feels like a lot to carry—but I only ask for the strength to bear it. Until then, I hope I'm making you proud.

*I love you.

“ Sorry to hear that Kenny has passed away. Kenny was a good friend and co-worker when I worked at RCA. If I had any questions about my RCA Dimensia sound system all I had to do was ask Kenny. He knew what to do to fix it. Our thoughts and prayers are with you. Glenn (and Janet) Britton

“ I am Dedo Hillenburg's niece and I was so sorry to hear of Kenny's passing. He was only one month older than me. I never really knew him, only met him once but we had several mutual friends over the years. I will keep the Wagner family in my thoughts and prayers. May memories of happier times with Kenny comfort all of you.
