“ Kevin I'm going to miss you so much. I know you told me I'm strong for going through everything I been through but you was stronger than me I just know how to hide it all inside but with you no longer here I don't think I can be strong like I was. You wasn't just my brother you was also my best friend. I no longer have anyone to show me the stuff like you did. I know you're not struggling with hurting anymore but losing you definitely hurts me. Watch over Danny up there. I love you so much. Love your younger sister
