“ *My deepest sympathy in your great loss.
My heart goes out you.*

*Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
still loved, still missed and very dear.*

Thinking of you at this time of your loss.

I had the great pleasure of working with Kirby as one of my line testers at Thompson as well as in the Emergency Medical Field which he and I shared a true passion for.

It makes no sense that the good ones go so quickly from this earth but I have comfort in knowing he is now serving God with as much passion as he did for his patients.

God speed Kirby!

*Thoughts, Love and Prayers,
Freddy Sturgeon*
