“ Kyla Isenogle was one of the most beautiful souls to grace this planet. Her kindness and love taught me how to care for those around me, to really see them. While there are many alive who did not have the honor and privilege of knowing her, may all of us who did exemplify the Christ-like love she showed to others.

“ Kyla was a dear friend. We were young marrieds and young mothers together -- small town kids living in the big city. So many happy silly memories of failed recipe ingredient substitutions and frozen Dr. Pepper bottles, laundry whitening tips and a hundred trips around the big scary 465 loop to the auto dealership with that fussy Pacer. We watched "our" shows and then called each other to go over every detail. A dear sweet spirit. God's blessings of comfort for Bruce and the family.
