“ I am so sorry to hear about your loss. Our mothers have always been there for us, so it is hard to imagine life without them. No matter how old we get, we always need a "Mom". Although she won't be here physically, you know she will be watching over you and rolling her eyes when you do something she doesn't approve of!!

“ Laura was a very good hearted person. She was our neighbor for a very long time. We kids grew up together and were more like family than just neighbors. The Lord decided it was time for her and Claude to be together so he took her home. Don't cry because she has left this world but rejoice and celebrate her life as you remember. Don't dwell on the bad things just remember the good times you had.
