“ *Laura captured my heart with her innocence and goodness. I didn't get to spend nearly as much time with her as I would have liked. We had fun times at family card parties and holidays. She was always there for Brady, Greyson and Abree. And there was a close bond and love. We had some fun trips and I know she loved me as much as I loved her. She was excited about moving back to Evansville and we talked about all the things we planned to do.*
