“ Our thoughts and prayers are with you during this difficult time. I have so many good memories of your parents. Your mom was my teacher and your dad was always going to cut my ponytail off. May the memories of them that you have help you through this time.

“ So sorry to hear about Mrs. Lindsey. She was my 5th grade teacher at Worthington, and she was a very quiet and nice teacher. I alot in her class, and was able to view the world in a different way. I became much more interested in worldly events and places in her class. My condolences to the family. Sincerely. Peggy Wolfe

“ Steve, So sorry to hear about your Mom. My dad is 92 and his health is failing. It's hard to see your parents get old, but I know she lived a long and good life.

“ Steve,
I have many fond memories of your mother as my 5th grade teacher. She was a wonderful lady and had a significant impact on me and countless other students who were priviledged to have her as a teacher. My thoughts and prayers are with you and your family.
