“ I hope to make it to the viewing before the service. Just in case I don't, I wanted to let your family know how sorry I am. Leo was a great man and friend ! I won't forget how he took the daycare kids to school when he didn't have to. The kids really liked him and haven't liked a driver since...lol. The girls wanted me to extend their sympathy too. we will be thinking of you all, tomorrow especially. Sincerely, Debbie, Michelle, & Lauren Baird

“ Justin and I want to extend our deepest sympathies to the family during this difficult time. Leo was a wonderful and kind man. The best memory I have is riding the bus as an elementary and junior high school student. Every year at Christmas Leo would give each child on the bus a giant candy bar, it was always one of my favorite parts of the Christmas season. Leo always had a kind word for me and my family whenever we would see him out. He will be missed!
