“ *Thinking of all of you during this very sad time. My dad will miss him and their phone conversations of the good old days. Leon never let my dad know how sick he really was. I wish we could have come down there one last time before he died. Unfortunately we won't be able to make it for the funeral but know that you are in our hearts and we will be thinking of you.*

“ Jeannie--I am so sorry for your loss. Your Dad fought to the end like all good farmers do. Hopefully it helps to know he is at piece, no longer suffering and back with your Mom for the Holidays.
