“ Lester--How I mourn your loss! Over the period of 2 1/2 years, I came to love you, though there were times when I got very discouraged with your progress. You worked hard at recovery! You cared so much for our group! YOu gave yourself so freely to help others. I only pray that your passing was swift and without suffering -- you had enough of that in your life. Now, may you truly rest in peace, and may God's serenity be with you forever. Tim Jessen "There is HOpe"
